

IMPORTANT INFORMATION REGARDING VITAL RECORDS

As of 08/25/2014, the Department of Health and Human Services will take over the processing of vital records requests for birth certificates as well as death certificates. We ask that requests do not be made on 08/25/2014 and 08/26/2014 as we will be preparing our office and installing equipment for this change. If your request cannot wait, we suggest that you apply directly to the State Office Department of Public Health & Environment by clicking on the following link:

Elbert County Department of Public Health and Human Services regular hours of operations are Monday - Thursday from 7:00am - 5:00pm., our phone number is (303) 621-3149. We will have more information posted on Vital Records requests on our HEALTH AND HUMAN SERVICES page after 08/25/2014.

Thank you for your cooperation and understanding during this time of transition.
